

Affiliate Membership Program

We are delighted to invite you to join ASHM as an affiliate member.

For the past 30 years membership has been a vital component of ASHM, and the collaboration between our organisations enables us to offer you an ASHM Affiliate Membership at no cost to you.

Our collaboration with over 60 strategic organisational members strives to be inclusive, drawing together a range of professions supporting people living with HIV, viral hepatitis, sexual and reproductive health issues and related diseases. These organisations, spanning the clinical, community, policy and research workforce, share our values and support the work that we do.

Your affiliate membership connects you with an extensive community of professionals for information sharing and networking, as well as giving you access to many of the benefits enjoyed by our Ordinary ASHM Members. We currently have over 1,500 Affiliate Members linked to our Organisational Sustaining Membership Program.

For more information on ASHM and our membership program, please refer to our [membership prospectus](#).

Frequently Asked Questions

1 What should I do if I'm already an Ordinary Member?

We strongly encourage you to remain an ASHM ordinary member. As a full member of ASHM you will be making a valuable financial contribution to the HIV, viral hepatitis and sexual health sector. You will also receive **voting rights at our AGM, an opportunity to hold office or represent ASHM.**

2 What should I do if I am no longer a member or employee of PATHA?

Affiliate status is conditional on you maintaining your membership or employment with PATHA and of PATHA remaining as an Organisational Sustaining Member of ASHM. If either of these cease, then you will no longer be able to access the Affiliate Membership Program. If this is the case, we welcome you to apply for **Ordinary Membership of ASHM.**

3 Do I need to renew my Affiliate Membership at the end of each financial year?

There is no need to re-register for Affiliate membership at the end of each financial year. However, we will email you and invite you to review and update your contact details and areas of interest.

4 How do I resign my Affiliate Membership?

Please contact our membership services team at membership@ashm.org.au to notify them of your decision and we will remove you from our mailing lists.
